

There is an attempt by the Town of Farmington to unify it's area code, presently split between 585 and 315. I am a resident of farmington and have been for 30 years and I am very much in favor of unifying the town under the 585 area code even though I have been in the 315 area code. I work, shop, and attend church in the 585 area code and most of my neighbors do as well. It would make alot of sense for us to be in the 585 area code.

Thank you for reading my comment.
